

	PGCon 2016 The PostgreSQL Conference	May 17-20 2016 Ottawa, Canada
---	---	--

6 March 2016

To Whom It May Concern:

I write to confirm the invitation of DILIP KUMAR, date of birth 11th September, 1984, of B-406 Sai Sri Pride Flower Garden Road Babusapalya, Bangalore, India, tel +91-9886401805, to visit Canada to participate in the PGCon 2016 conference in Ottawa, Ontario, in May 2016.

Dilip is my colleague in the global group of programmers and developers who work on PostgreSQL, a database program. Development normally takes place over the Internet but we are planning a conference to bring participants together to discuss their work. The PGCon organization is hosting a conference in Ottawa on May 17-21, 2016. We would like Dilip to join us at this conference.

Dilip will be giving a presentation while at the conference. Speakers at PGCon are not paid. We sometimes help with their travel and accommodation, but they do not receive any remuneration.

Dilip plans to arrive in Canada on May 16 and depart on May 22 and has arranged to stay at University of Ottawa (the site of the conference) during that period. While here, Dilip will be responsible for his own living expenses.

If you have any further questions regarding Dilip and his visit, please feel free to contact me directly at +1 215 882 0565.

Sincerely,

**Dan Langille
